

SMOKE, TOBACCO AND INHALANT FREE ENVIRONMENT

Purpose:

To promote a healthy learning environment, workplace and lifestyle, this policy directs that smoking, cannabis, electronic cigarettes, and the use of tobacco or vapour products is prohibited at all times in all school buildings and on all school properties. This policy also provides for “smoke-free and vape-free zones.”

Scope:

All employees, volunteers and students

Policy:

Khalsa School is a non-smoking, non-cannabis, no tobacco and non-inhalant environment.

Procedure:

Smoking and/or the use of any tobacco or nicotine substances or inhalants are not allowed anywhere on school grounds as per provincial legislation. This includes prohibition of e-cigarettes, cannabis, electronic smoking products, vapour products, and cartridges of nicotine and/or flavoured solutions, and related products.
